1. What cookies are

Cookies are small text files stored on your device when you visit a website. Similar technologies, such as local storage or pixels, work in a comparable way. In this policy, "cookies" covers all of them.

2. How we use cookies

Article 6 Network Association uses cookies to make article6.net work, to remember your choices and, only with your consent, to display embedded content.

We set non-essential cookies only after you accept them in our cookie banner. You can refuse them without any effect on your access to the website.

3. Categories of cookies

Strictly necessary. Required for the website to function and be secure, for example to store your cookie choices. These cannot be switched off.

Preferences. Remember settings such as your language.

Analytics. We do not use analytics or tracking cookies.

Embedded content. Set by third parties when you view embedded videos, maps or social media posts. Set only with your consent.
