1. Information only

The content of article6.net and of the Network's publications, including Article 6 News, Article 6 Radar, "The State of the Article 6 Carbon Market" report, surveys, events and Article 6 Academy materials, is provided for general information and education only.

2. No investment, financial, legal or tax advice

Nothing published by Article 6 Network Association constitutes investment, financial, legal, tax or accounting advice, or a recommendation to buy, sell or hold any carbon credit, Internationally Transferred Mitigation Outcome (ITMO), Article 6.4 emission reduction (A6.4ER) or other instrument.

Nothing on this website is an offer, solicitation or invitation to enter into any transaction, and none of it is a financial service within the meaning of the Swiss Financial Services Act (FinSA). You should seek independent professional advice before making any decision.

3. A market under construction

The rules of Article 6 of the Paris Agreement are still being developed and applied by the Parties, the UNFCCC, the Article 6.4 Supervisory Body and national authorities. Information about authorisations, corresponding adjustments, transactions, prices, projects and policies may change quickly, may come from third parties, and may be incomplete or out of date.

4. No warranty

We take care to ensure that our content is accurate and current, but we give no warranty, express or implied, as to its accuracy, completeness, reliability or timeliness. Forward-looking statements, estimates and scenarios reflect views at the time of publication and are not guarantees of future outcomes.

5. Independence and neutrality

The Network is a neutral, member-based platform. Membership, partnership, sponsorship or mention in our publications does not imply endorsement by the Network of any organisation, country, project, methodology, credit or transaction. Views expressed by members, speakers or guest authors are their own.

Officers, board members and members may hold roles in organisations active in the carbon markets. The Network manages potential conflicts of interest under its Conflict of Interest Policy.

6. Limitation of liability

To the extent permitted by law, Article 6 Network Association excludes all liability for any direct or indirect loss or damage arising from access to or use of this website or our publications, or from reliance on their content. This does not limit liability for unlawful intent or gross negligence, which cannot be excluded under Swiss law (Art. 100 of the Swiss Code of Obligations).

7. External links

Our website contains links to third-party websites. We have no control over their content and accept no responsibility for it. Linking does not imply endorsement.

8. Intellectual property

All content on this website, including text, data compilations, graphics, the "Article 6 Network" name and wordmark, and the names Article 6 News, Article 6 Radar, Article 6 Academy and Article 6 Summit, belongs to Article 6 Network Association or its licensors. You may quote short extracts for non-commercial purposes with clear attribution to "Article 6 Network (article6.net)".
